### • EDUCATION

- 1991 Habilitation in Organic and Macromolecular Chemistry with Prof. G. Wegner (Max Planck Institute for Polymer Research, MPI-P), Johannes Gutenberg-Universität Mainz, Germany
- 1986 Short research stay with Prof. W.J. Feast, University of Durham, U.K.
- 1985 – 1986 Post-doctoral fellow with Prof. K.P.C. Vollhardt, University of California, Berkeley, USA
- 1984 – 1985 Post-doctoral fellow, Institute for Organic Chemistry, Ludwig-Maximilians-Universität München, LMU, Germany
- 1984 PhD with Prof. G. Szeimies, LMU, Germany

### • CURRENT POSITION

- 2004-2018 Professor of Polymer Chemistry, Department of Materials, ETH Zurich, Switzerland
- Since 2018 Professor Emeritus

### • PREVIOUS POSITIONS

- 1992 – 2004 Professor of Organic Chemistry, Institute of Chemistry, Freie Universität Berlin, Germany
- 1991 – 1992 Associate Professor of Polymer Chemistry, Technische Universität Karlsruhe, Germany
- 1986 – 1991 Senior Scientist and Head of 'Polymer Chemistry' Group, MPI-P, Mainz, Germany
- 1985 – 1986 Scientist, University of California and Lawrence Berkeley Laboratory, Berkeley, USA
- 1981 – 1985 Research Assistant (full position), Institute for Organic Chemistry, LMU, Munich, Germany

### • FELLOWSHIPS AND AWARDS

- Since 2020 German Science Foundation Mercator Fellow at the Technical University of Dresden, Germany
- 2019 Harris German Distinguished Visiting Professorship, Dartmouth College, NH
- 2019 Lecture at the Fudan – Berkeley Global Science Institute "The Materials Beyond" workshop, Fudan University, Shanghai, China
- 2017 International Award, Japanese Society of Polymer Science
- 2015 Opening Plenary Lecture at the 50<sup>th</sup> Bürgenstock Conference, Switzerland
- 2015 Bayer Lectures, Cornell University, USA
- 2014 Plenary Lecture at the 1<sup>st</sup> International Symposium Interactive Materials Science Cadet Program, Osaka, Japan
- 2014 Lecture at the 2014 Inter-Academy Seoul Science Forum, Seoul, South Korea
- 2012 Recipient of the Japan Society for the Promotion of Science 'Invitation Fellowship for Research'
- 2012 Elected member of the Swiss Academy of Engineering Sciences (SATW)
- 2011 The MacroCenter Presentation Series, University of Florida, Gainesville, USA
- 2010 Golden Owl for excellence in teaching at the ETH Zurich
- 2009 Member of the Swiss Academy of Sciences (SCNAT), Chemistry Platform
- 2006 Visiting Professor, Faculty of Chemistry, Technion, Haifa, Israel
- 2004 Rubin Lecture, Technion, Haifa, Israel

- 2000 Eastman Kodak Lecture, University of Florida, Gainesville, USA
- 1999 Lecture Series '3ème cycle', Conférence Universitaire de Suisse Occidentale, Switzerland
- 1998 Steinhof Prize, Faculty of Chemistry and Pharmacy, University of Freiburg, Germany
- 1991 Dozentenstipendium, Fonds der Chemischen Industrie, Frankfurt, Germany. Highest research award for young scientists at that time.

- **SUPERVISION OF GRADUATE STUDENTS AND POSTDOCTORAL FELLOWS**

- 1989 – 2019 Approx. 70 students received their PhD and >10 scientists completed their habilitation or equivalent qualification for becoming professor (MPI-P Mainz, Freie Universität Berlin and ETH Zurich).

- **TEACHING ACTIVITIES**

Many courses on Organic Chemistry and all courses on Polymer Chemistry offered by the respective departments ADS was affiliated with.

- **ORGANISATION OF SCIENTIFIC MEETINGS**

- 2014 International Symposium on Synthetic Two-Dimensional Polymers, ETH Zurich, Switzerland (chairman; co-chairs: B. T. King, UNR, Y. Tobe, Osaka U) - 90 attendees
- 2014 Swiss Chemical Society Fall Meeting, Polymers, Colloids & Interfaces Division Symposium, University of Zurich (co-chairman with C. Hinderling) - 80 attendees
- 2012 Swiss Chemical Society Fall Meeting, Polymers, Colloids & Interfaces Division Symposium, ETH Zurich (co-chairman with R. Mezzenga) - 70 attendees
- 2011 'Dimensionality', 191<sup>st</sup> Annual Congress of the Swiss Academy of Sciences (SCNAT), Berne, Switzerland (chairman) - 300 attendees
- 2010 3<sup>rd</sup> EuCheMS Chemistry Congress, Nuremberg, Germany (convener of the session Polymer Science) - 150 attendees
- 2009 13<sup>th</sup> International Symposium on Novel Aromatics, Luxembourg (co-chairman with François Diederich) - 280 attendees
- 2003 International Dendrimer Symposium IDS3, Berlin, Germany (chairman) - 330 attendees
- 1997 Chemiedozentenagung of the ADUC, Berlin, Germany (chairman) – 700 attendees

- **INSTITUTIONAL RESPONSIBILITIES**

- 2007 – 2015 Member, Research Commission, ETH Zurich
- 2005 – 2009 Chairman (2006 – 2008) and Deputy Chairman, Department of Materials, ETH Zurich
- 1997 – 2001 Executive Director, Institute of Chemistry, Freie Universität Berlin
- 1998 – 1999 Member, Academic Senate, Freie Universität Berlin
- 1994 – 1997 Chairman, Department of Chemistry, Freie Universität Berlin

- **COMMISSIONS OF TRUST**

- since 2001 Journal of Polymer Science, Polymer Chemistry<sup>a</sup>, Wiley, N.Y.
- since 2008 Macromolecular Chemistry and Physics<sup>a</sup> and Macromolecular Rapid Communications<sup>a</sup>, Wiley-VCH
- 2014 – 2019 ChemPlusChem<sup>a</sup>, Wiley-VCH
- 2016 – 2020 ChemPhotoChem<sup>a</sup>, Wiley-VCH
- 2012 – 2014 Macromolecules, ACS<sup>a</sup> and ACS Macro Letters<sup>a</sup>
- until 2007 Macromolecular Chemistry and Physics<sup>b</sup> and Macromolecular Rapid Communications<sup>b</sup> (<sup>a</sup>editorial board, <sup>b</sup>executive board)

The applicant has served on several national and international evaluation commissions, as vice-chairman of the Sonderforschungsbereich 'Mesoscopically structured hybrid

materials', as chairman of the international MSc program 'Polymer Science' of the three Berlin Universities and the University of Potsdam, as well as on several other boards including the 'Dr. Herrmann-Schnell-Foundation' of the German Chemical Society, the Gerhardt-Schmidt-Center for 'Supramolecular Structures' of the Minerva-Foundation, Munich, at the Weizmann Institute, Rehovot, Israel, the Institute for Applied Chemistry (ACA) eV, Berlin, Germany, the Fraunhofer Institute for Applied Polymer Research, Golm-Potsdam, Germany, the Max Planck Graduate Center Mainz, Germany, the Petru Poni Institute of Macromolecular Research, Iasi, Romania and many other organisations (including the German and Swiss Chemical Societies and the Swiss Academy of Sciences).

- **MEMBERSHIPS OF SCIENTIFIC SOCIETIES**

Member, Swiss and German Chemical Societies  
2004 – 2018 Associated Member, Department of Chemistry and Applied Biosciences, ETH Zurich

- **BIBLIOMETRY** (based on WoS, as of December 2019)

372 Publications with > 14'000 citations corresponding to 38 citations per publication. *h*-Index: 62

Also, see: <https://scholar.google.com/citations?user=rnVSWz4AAAAJ&hl=de>

- **LECTURES**

More than 350 invited lectures all over the world.
